Placement Interview Sign-Up

It is time to sign up for placement interviews. Sign-up sheets will be at the choir desk. Placement interviews will take place on Tue. April 13th, Tue. April 20th and Tue. April 27th. All choir members need to sign up for a placement interview.

What are Placement Interviews?

Placement interviews occur at the end of the year for all students. The directors will spend time listening to your child sing, sight read and talk about their choir experience and progress. If your child is at a point where they might be old enough and ready to move to the next level choir, both directors will be present (current and future) to make the decision. A progress report is sent home for each student and parent and student evaluations are completed at this time. Music return and concert dress/concert shirt return (for Cantabile & Di Canto choirs) also happen at this time. If any music is missing or uniform piece, fees will be collected. All students complete a placement interview regardless of age or intention to join next year. If continuing, the next year's registration form and non-refundable deposit are due at this time.
